29 January 2026 (Thursday), 9.00 am – 5.00 pm

The newly released Malaysia TP Guidelines 2024 and Transfer Pricing Rules 2023, effective for the year of assessment 2023, outline the compliance requirements for Transfer Pricing. Non-compliance carries a substantial penalty ranging from RM20,000 to RM100,000 per assessment year or imprisonment for up to six months upon conviction. The TP Audit Framework 2024 provides for a penalty of RM100,000 if the TP Documentation is submitted to Inland Revenue Board more than 28 days after the deadline for submission.

Contemporaneous TP Documentation must be prepared before the corporate tax filing deadline. In other words, a Company with financial year ended 30 June 2024 will have to file its tax returns by 28 February 2025 (with one month's extension). In this case, the TP Documentation must be completed by 27 February 2025.

The TP Documentation must also contain all information required under the TP Rules 2023 and state the date of completion of the TP Documentation for penalty protection.

Participants will learn to navigate the complexities of TP Documentation preparation, understand how to fulfil the compliance requirements, and identify and address any deficiencies in their TP Documentation.
